Declaration of Banner Artist

I understand that if the jury selects my banner design in October 2012, I must attend the Banner Painting Festival on January 19 or 20, 2013 to paint my banner. The festival is held in the Port Moody City Hall Galleria, located at 100 Newport Drive, Port Moody.

To identify my banner I must legibly sign the bottom right-hand corner of the banner sleeve.

I understand that I may purchase my painted banner after November 2013 for a cost of $30.

I understand that City staff, contractors and volunteers are not liable for any loss or damage to my banner sustained by reason of accident or incident, occurring in or about their premises, or during display. I waive any claim I may have with respect to any loss or damage to my banner design and/or banner created under this application.

I understand that I authorize the City of Port Moody, for non-commercial and municipal purposes only, the right to use a digital image of my banner design for promotion of its Public Art program.

I declare that the entry is my own original design.

Our theme: Transportation

The City of Port Moody has long been associated with transportation - by sea, by rail and soon by Skytrain. Over the years people have travelled to, and around, Port Moody using a variety of transportation modes. For its 2013 banner display, the City of Port Moody is seeking banner designs that celebrate the evolution of transportation throughout the centuries and into the future.

Theme ideas: Think about all the modes of travel and transportation, from past to present:

- from hiking and biking, to motorcycles and mopeds
- from canoes and kayaks to surf boards and paddle boards
- from trains, planes and automobiles, to rocket ships
- horseback, horse and buggy, covered wagon
- tall ships to cruise ships
- taxis, buses, limousines
- unicycles and wheelchairs
- hot air balloons and hand-gliders

The Community Banner Painting Festival is part of the City of Port Moody's StreetArts Program, which includes painted public work trucks, painted garbage cans, stylized tree grates and street furniture.

The City of Port Moody is devoted to developing a strong Public Art program which is accessible to the community. Public Art helps to make Port Moody beautiful, aesthetically pleasing and interesting. It builds our community by enhancing our quality of life, contributing to economic development and helping us to celebrate our rich history. It brings art to life for our citizens in many everyday settings. Public art shows our commitment to local artists and provides our citizens with access to art from British Columbia, Canada and around the world.
