## Community Services

### General

#### Policy

The City of Port Moody charges Fees for services provided by the Community Services Department. Fees are charged for recreation programs, use of City fields, and rental of facilities.

Fees may be changed without notice and shall be reviewed on a yearly basis and/or on an “as required” basis.

#### Criteria for the Establishment of Fees and Charges

The Fees and charges for each recreation service may be based on one or more of the following:

- staff costs;
- materials, supplies, and equipment costs;
- direct maintenance and repair costs;
- cost recovery ratios established for the facilities;
- comparable charge rates for similar services offered by commercial outlets and other municipal organizations;
- status of the user or group of users as to their residence requirements; and/or
- financial ability of the user or group of users to pay for leisure services.

Within the constraints of the established Fees and charges, the Community Services Department may adjust those Fees and charges relating to general recreation programs in order to reflect the increases or reductions in the cost of such services as they occur.

#### Effective Dates

The proposed rates are in effect January 1, 2021 to December 31, 2021 unless otherwise noted.

*Fees are subject to rounding and applicable taxes.*

## Community Services

### Recreation Programs

#### **Program Fees and Charges**

Fees and charges for all recreation programs are established on the basis that the Fees from a minimum number of program participants will offset the direct costs of the program. Direct costs include: instructor, program supplies, program equipment, bus rental, refreshments, etc.

Subsidized program services may be provided to a specific population such as youth and seniors.

#### **Access Pass and Fee Reduction for Programs**

A Fee subsidy is available to Port Moody residents for admissions and programs provided that the participant meets the criteria for proof of residency and proof of financial need. A 50% reduction in the advertised cost of the program or admission is available in accordance with the Leisure Access Policy. In exceptional circumstances, a greater subsidy may be provided at the discretion of the General Manager of Community Services.

#### **Provincial and National Ranked Athletes**

Carded athletes will be granted free access to the Recreation Complex's weight room. In exchange, these athletes may be requested to act as ambassadors for the City of Port Moody in promoting physical activity and health.

#### **Refund Policy**

No refund or credit will be issued on withdrawal of a program after the second session. Refunds will only be issued if a participant is unable to take a program they have registered for due to illness, class cancellation, or other extenuating circumstances. Refunds for programs paid by cash or debit will be issued in the form of a cheque mailed out to the participant once the refund request has been processed.

#### **Withdrawal Fee**

A withdrawal Fee of \$10.00 will be charged to anyone who withdraws from a program less than eight (8) days before the start of a program. This Fee will be charged until the end of the second class. No refunds are granted after the end of the second class. This Fee has been implemented to keep more registration spots open and deter individuals from registering for more programs than they intend to use.

*Fees are subject to rounding and applicable taxes.*

The General Manager of Community Services will review all applications for eligibility and approve those that meet the established criteria.

Charges for lost or damaged equipment or damage to the facility, assessed at replacement or repair cost, will be deducted from the damage deposit. Assessment of damages will be made by maintenance staff.

### **Market Value Rate**

In extenuating circumstances where the "non-prime time" rental rate may not be competitive with market rates, the General Manager of Community Services may approve a special one-time rate based upon the current market value of the rental at that time. Current market value will be deemed to have considered rates charged by neighbouring communities and private business.

*Fees are subject to rounding and applicable taxes.*
