

## About your utility bill

Water and sewer services, along with recycling, green waste, glass, and garbage collection, operate on a user-pay system in Port Moody. Utility rates are set annually and the City collects only the amount of user fees needed to cover the cost of delivering these essential services.

**2023 utility fees are due on or before February 28.**

There is a 5% penalty applied to payments received after February 28; a second 5% penalty is applied to overdue amounts after March 31.

## Water and sewer rates are based on housing type

The City of Port Moody works with Metro Vancouver to provide water and sewer services to residents and businesses. Prior to 2022, all residents paid the same flat rate regardless of housing type. City Council introduced a tiered structure for water and sewer rates with the goal of distributing costs in a more equitable way. The tiered structure means some residents will pay less and some will pay more, depending on housing type. Although the number of people per household can vary, changes to rates were determined based on the estimated average number of occupants (i.e. users) for each housing type.

Council has also created a discounted classification for not-for-profit organizations (previously limited to churches) operating in Port Moody and set water and sewer rates for housing run by non-governmental organizations to be in the lowest tier (along with secondary suites and laneway homes).

Water		Sewer	
	Single family home <b>\$603</b>		Single family home <b>\$438</b>
	Townhome <b>\$565</b>		Townhome <b>\$413</b>
	Apartment unit <b>\$378</b>		Apartment unit <b>\$277</b>

## Think about downsizing your garbage cart

If you're a resident who upgraded to a 240L garbage cart, think about downsizing this year to save both money and space. There are no administrative fees to request a smaller cart, and you'll save \$87 on your utility bill. Upsize or downsize your cart easily through a form on our website at [portmoody.ca/carts](https://portmoody.ca/carts).
