## Operations

### **Sewer Charges for Metered Users**

*Sewage volumes shall be determined as follows:*

- a) For metered ICI users whose sewage output is metered, volume shall be based on meter readings.
- b) For metered users whose sewage output is not metered, volume shall be deemed to be 80% of the volume of water consumed each billing period, as determined by water meter readings.
- c) In cases deemed appropriate by the General Manager of Engineering and Operations, alternate calculations to determine the sewage volume may be used in place of the above.

Charges for sewage volume produced shall be levied at:

- The rate of \$2.06 per 100ft<sup>3</sup> for non-Metro Vancouver waste discharge permit holders
- The rate for Metro Vancouver waste discharge permit holders shall be determined annually and calculated early January based on the prior year total sewerage flow as provided by Metro Vancouver.

Metro Vancouver waste discharge permit holders are defined as valid holders of a waste discharge permit granted under the provisions of the Greater Vancouver Sewerage & Drainage District Sewer use Bylaw No. 299, 2007 (as amended).

The minimum quarterly charge for Sewer shall be \$289.00 per water meter, excluding fire lines.

**In cases deemed appropriate by the General Manager of Engineering and Operations, any user that is assessed by BC Assessment as an “Industrial User” and who is connected to the Municipal water system shall pay a minimum quarterly fee; that fee shall be calculated as 60% of the previous calendar year’s consumption from the same quarter.**

## Community Services

Replaced  
by BL3199

### **COMMUNITY SERVICES**

#### **GENERAL**

##### Policy

The City of Port Moody charges fees for services provided by the Community Services Department. Fees are charged for recreation programs, use of City fields, and rental of facilities.

Fees may be changed without notice and shall be reviewed on a yearly basis and/or on an "as required" basis.

##### Criteria for the Establishment of Fees and Charges

The fees and charges for each recreation service may be based on one or more of the following:

- staff costs;
- materials, supplies, and equipment costs;
- direct maintenance and repair costs;
- cost recovery ratios established for the facilities;
- comparable charge rates for similar services offered by commercial outlets and other municipal organizations;
- status of the user or group of users as to their residence requirements; and/or
- financial ability of the user or group of users to pay for leisure services.

Within the constraints of the established fees and charges, the Community Services Department may adjust those fees and charges relating to general recreation programs in order to reflect the increases or reductions in the cost of such services as they occur.

##### Effective Dates

The proposed rates are in effect January 1, 2020 to December 31, 2020 unless otherwise noted.

## Recreation Programs

### Program Fees and Charges

Fees and charges for all recreation programs are established on the basis that the fees from a minimum number of program participants will offset the direct costs of the program. Direct costs include: instructor, program supplies, program equipment, bus rental, refreshments, etc.

Subsidized program services may be provided to a specific population such as youth and seniors.

### Access Pass and Fee Reduction for Programs

A fee subsidy is available to Port Moody residents for admissions and programs provided that the participant meets the criteria for proof of residency and proof of financial need. A 50% reduction in the advertised cost of the program or admission is available in accordance with the Leisure Access Policy. In exceptional circumstances, a greater subsidy may be provided at the discretion of the General Manager of Community Services.

### Provincial and National Ranked Athletes

Carded athletes will be granted free access to the Recreation Complex's weight room. In exchange, these athletes may be requested to act as ambassadors for the City of Port Moody in promoting physical activity and health.

### Refund Policy

No refund or credit will be issued on withdrawal of a program after the second session. Refunds will only be issued if a participant is unable to take a program they have registered for due to illness, class cancellation, or other extenuating circumstances. Refunds for programs paid by cash or debit will be issued in the form of a cheque mailed out to the participant once the refund request has been processed.

### Withdrawal Fee

A withdrawal fee of \$10.00 will be charged to anyone who withdraws from a program less than 8 days before the start of a program. This fee will be charged until the end of the second class. No refunds are granted after the end of the second class. This fee has been implemented to keep more registration spots open and deter individuals from registering for more programs than they intend to use.

## **Rental Facilities**

### **Priority Use of Recreation Facilities**

Local civic and non-profit community groups with five years of continuous operation in a given facility.

Community Services Department sponsored and co-sponsored programs and events.

Local civic and non-profit community activities.

Local community activities of a commercial nature.

Private individual, group, or commercial rentals.

### **Free Use of Parks and Recreation Facilities**

All programs and activities co-sponsored by the Community Services Department.

All regular, general, or executive meetings of the recognized Port Moody Community Associations being: Glenayre, Pleasantside, Moody Centre, Heritage Mountain Community Association, Heritage Mountain Chinese Community Association, and College Park.

For annual general meetings or executive board meetings (to a maximum of one meeting per month) of Port Moody groups or organizations, whose purpose in meeting is to provide leisure opportunities for a large segment of the community. Decisions on groups to be charged are made individually by the General Manager of Community Services or his or her designate.

Pleasantside Community Association's use of Old Orchard Hall and contents.

Glenayre Community Association's use of Glenayre Centre and contents.

### **Community Rental Rate Policy**

Recognized Port Moody Community organizations will be eligible for the Community rental rates for the following purposes:

- Fundraising events to assist the development of the organization within the community.
- Fundraising events to be used for charitable purposes.
- Meetings and social functions.

For the purposes of this rental policy, a "Recognized Port Moody Community Organization" is defined as a non-profit group or organization whose majority membership is composed of Port Moody residents.

Decisions on the eligibility of Tri-Cities based non-profit organizations for Community rental rates will be made by the General Manager of Community Services.

**Waiver of Rental Fees**

Rental fee waiver applications will only be received from non-profit Port Moody groups or organizations whose membership consists of a majority of Port Moody residents.

Groups will be limited to one rental fee waiver per calendar year to a maximum value of \$367.00.

The fee waiver is applicable to the facility rental fee only and does not include any other event related expenses such as staffing costs, liability insurance, and SOCAN fees.

All requests for fee waivers must be received by the Community Services Department a minimum of one month in advance of the event. Confirmation of the facility booking, group roster, and the most current financial statement of the organization are to accompany the rental fee waiver application.

The General Manager of Community Services will review all applications for eligibility and approve those that meet the established criteria.

**Damage Deposit**

A refundable damage deposit bond is required for all social functions and tournaments booked at any Community Services Department facility. Damage deposits must be paid by any group receiving fee waivers.

**Refund of Damage Deposits**

Damage deposits will be returned to renters by mail as soon as possible after the event, subject to any possible deductions noted below.

Damage deposit for all social functions is \$500.00. Exception: New Year's Eve is \$600.00. Damage deposit for arena, field tournaments, and special events is \$250.00/day to a maximum of \$500.00/event.

Charges for staff overtime resulting from failure of an event to end on time will be charged against the damage deposit at the rate of \$44.00 for each hour, \$22.00 for each 1/2 hour or portion thereof.

Charges for lost or damaged equipment or damage to the facility, assessed at replacement or repair cost, will be deducted from the damage deposit. Assessment of damages will be made by maintenance staff.

**Market Value Rate**

In extenuating circumstances where the "non-prime time" rental rate may not be competitive with market rates, the General Manager of Community Services may approve a special one-time rate based upon the current market value of the rental at that time. Current market value will be deemed to have considered rates charged by neighbouring communities and private business.
