

Spring Street: Traffic Pattern Changes

Map is not to scale – Spring Street enlarged for illustrative purposes
Map is current as of September 1, 2020

Spring Street is not a one-way street. Vehicles can drive in both east and west directions and exit Spring Street at all intersections.

On Spring Street, barricades will be set up at five intersections to prevent traffic from entering. For drivers, this will mean:

- no eastbound access to Spring Street from Douglas Street, Elgin Street, and Kyle Street;
- no westbound access to Spring Street from Grant Street and Moody Street; and
- right turn only for eastbound traffic on Spring Street at Moody Street.

Legend

Do not enter. Entrance to Spring Street not permitted at this location (except bicycles and authorized vehicles).

Exit from Spring Street. Spring Street is not a one-way street and direction of travel is not restricted when leaving a residence or business.

All traffic must turn right from Spring Street onto Moody Street. No left turn or straight through traffic permitted.
