

Hope Street: Traffic Pattern Change

NEW!

Map is not to scale
Map is current as of May 1, 2021

On Hope Street, a barricade will be set up at the intersection with Douglas Street to prevent traffic from entering.

This will mean:

- no westbound vehicle access to Hope Street from Douglas Street;
- all vehicles will still be able to exit Hope Street at the intersection with Douglas Street;
- Restrictions will not apply to pedestrians, cyclists, or authorized City service vehicles.

Legend	
	Do not enter. Exit only – entrance to St. George Street not permitted at this location (except bicycles and authorized vehicles).
	Slow zone – local traffic only (except bicycles and authorized vehicles).
