Smoke Alarm Waiver and Release

PLEASE READ THIS INFORMATION CAREFULLY

Port Moody Fire Rescue is providing me a smoke alarm and/or batteries through its smoke alarm program at no cost to me. I understand and agree that I alone am responsible for maintaining my smoke alarm according to the manufacturer's instructions. Maintenance includes, but is not limited to, testing the smoke alarm monthly and buying and installing new batteries at least once a year to make sure the smoke alarm continues to operate. I understand that the smoke alarm will function only with a charged battery and that the battery will discharge over time.

I also understand that smoke alarms and batteries are subject to defect and the City of Port Moody does not make any warranties or representations about the performance of the smoke alarm, the batteries, or any other equipment, product, or service provided to me under this program. The City of Port Moody specifically disclaims any warranty (express or implied) that a smoke alarm, battery or equipment or product provided under this program is fit for a particular purpose and disclaims any warranty of merchantability (express or implied). Further, the City of Port Moody make no warranties or representations about the services provided through this program, including the proper installation of the smoke alarm, the proper location of the installation of equipment or products, the proper or correct or timely replacement of batteries or smoke alarm, testing, or the availability of City personnel to perform or assist in performing such services. Further, this program may be discontinued at any time without notice.

In consideration for a smoke alarm, batteries, and or equipment, products, or services, I hereby release and

forever discharge the City of Port Moody and its officers, officials, employees, elected officials and volunteers, and any other involved municipal or public agencies from and against any and all claims, actions, causes of action or losses that I may now or at any time hereafter suffer for death, personal injury, or property damage arising out of or connected in any way with the smoke alarm program or my acceptance of said smoke alarm, batteries, equipment, products, or services. I also agree to indemnify and hold harmless the City of Port Moody and its officers, officials, employees, elected officials and volunteers, and any other involved municipal or public agencies from and against any and all claims, actions, causes of action or losses that any of them may at any time hereafter suffer or be put to death, personal injury, or property damage arising out of or connected in any way with the smoke alarm program or my acceptance of said smoke alarm, batteries, equipment, products, or services. It is further understood and agreed that this waiver, release and indemnification is binding upon me and my family members, heirs, successors and assigns.
