

Theme: Burrard Inlet

The Burrard Inlet is a rich and vibrant ecosystem, teeming with life both above and below the water. It provides essential food sources and habitat for marine birds and fish, while also serving as a cherished place for recreation, reflection, and cultural connection. This year, we invite the public to submit imaginative and playful designs inspired by the creatures – real or mythical – that inhabit the skies and waters of the Inlet. We encourage you to let your creativity dive deep or soar high!

Here are some key words to help you plan for your 2026 street banner design: sea creatures, buried treasure, marine birds, aquatic life, water sports.

Banner Design Specifications

Originality: All entries must be your original design.

Content: For 2026, we are trying a different artistic approach for the banners by limiting the colour palette to **four colours**. This modified palette is meant to encourage a playful and imaginative interpretation of the theme:

Designs may be outlined in black, **but black may not be used as a background colour. Do not blend colours, use shading techniques, or use blank/white space in your design – the background cannot be left white.**

Submission format: Your design must be submitted in colour and must fit into a rectangle, measuring 8.5cm wide by 14.7cm tall. This format is necessary to project your design onto a street banner. If your design is chosen, we will enlarge and outline your design on the street banner prior to your painting session. Your design should be considered finished artwork and coloured in the manner you intend to paint the banner. Simple designs using bold, solid colours are the most effective.

Submission details: Completed entry forms will be accepted at the reception desks at Port Moody City Hall (100 Newport Drive) or the Recreation Complex (300 Ioco Road), the Finance drop box at the rear of City Hall (100 Newport Drive), or emailed to communityartscoordinator@portmoody.ca. Design submissions become the property of the City of Port Moody, and will not be returned. Only three submissions will be accepted per applicant.
